The regulations contained within the University Parking Policy are rigorously enforced and failure to comply will result in the withdrawal of the permit.

The permit to park is only valid in the car park attached to the Hall of Residence; the permit does not allow you to park on any other MMU car park.

- ✚ The resident must not part with possession of the property or give access to the car park to any other party. This space is strictly for the resident's sole use and is not in any part transferable under any circumstances.
- ✚ No parking is provided for Visitors.
- ✚ The vehicle is in the car park entirely at the owner's risk. MMU nor its agents will be held responsible for any damage or loss caused to the vehicle parked within the car park.
- ✚ No refund will be paid for any period of time during which the resident is allocated a car parking space that the space is not used by the resident.
- ✚ Permits may only be used for the cars registered. N.B. The registration number indicated on the permit.

- ✚ Permit holders must inform the Accommodation Office of any changes to their circumstances or their car registration details immediately. Failure to do so may result in the revocation of your permit.
