Cheshire and Warrington Business Growth Programme

Looking to set up a business - Business start-up support

> There is a great mixture of personal support, academic tutoring and group workshops. The advice and guidance is second to none. I would recommend the course to any start-ups and SME's regardless of your experience or business background.

If you are planning to start a business in the Cheshire and Warrington area, we could offer you personal support every step of the way. Our two-day Launchpad workshop will get your business off to a flying start. This is followed up with 1-to-1 coaching to assist you through the entire set-up process, helping you turn your dreams into reality.

Our expert team knows exactly what it takes to get a new business idea off the ground quickly and successfully.

You will receive guidance for every stage from developing your initial idea to registering your business with Companies House, making everything simpler and easier to manage.

If you are considering setting up a business, and are unsure where to start - don't delay, contact us today!

Pre-Start Workshop

Day 1 Business Canvas Model - Make sure you get your idea right
Marketing - How to create a consistent stream of good customers

Day 2 Understanding your Business Finances
Legal Guidance - How to set up as a sole trader/LTD company
