## Benefits of postgraduate study at MMU:

**Whatever stage in your career, we can ensure your skills are relevant and up to date**

At Manchester Metropolitan University, we work in partnership with more than 70 professional bodies and associations to ensure our courses are up-to-date and directly related to the needs of employers. We are dedicated to placing employability at the heart of our curriculum and enhancing our graduates' employment options on completion of postgraduate qualifications.

**We are a university with award-winning staff at the forefront of their fields**

Our 1,900 academic teaching staff, 125 professors and 190 researchers are experienced professionals with well-established links within their sectors. With their experience and valuable insights into industry, they design courses that will develop your ability to explore and challenge the most current issues in your field of study.

**Our world-class facilities make us one of the best teaching and research universities in the UK**

By continuing to invest in state-of-the-art buildings, modern equipment and the latest technology, we have created an outstanding, inspiring and sustainable environment for learning and teaching.

## Entry Requirements

You will need a good undergraduate honours degree, however if you have a different background, you may be admitted if you have an equivalent professional qualification or significant proven management experience in a relevant field.

Applicants whose first language is not English are required to produce evidence of English Language. For postgraduate courses, we usually ask for IELTS 6.5 (No less than 5.5 in any section) or equivalent.

Our website contains detailed country-specific information about the international qualifications we accept. [www.mmu.ac.uk/international](http://www.mmu.ac.uk/international)

## How to Apply

**There are two ways you can apply:**

**Directly to the University:** You can apply for our postgraduate courses by completing an Application Form and submitting it by email direct to the University at [internationalapplication@mmu.ac.uk](mailto:internationalapplication@mmu.ac.uk) along with your supporting documents:

- Up-to-date details about your education history, including certificates and transcripts for completed and on-going qualifications
- References from a recent teacher or somebody who knows you professionally (on either letter headed paper or containing the official organisational stamp)
- A personal statement about why you want to study your chosen course
- Evidence of your English language proficiency
- Accurate contact details, so we can keep in touch

**Via one of our local education advisors:** Our official advisors will be able to assist you with submitting an application. They are familiar with our application process and have a lot of experience helping students to apply to Manchester Metropolitan University. They will be able to guide you and ensure that you have included all the documents that we will need and they will send your complete application to our International Admissions Team. Please see the international website for details of advisors in your country.

## Visa Information

If you do not hold an EU/EAA passport, you need to make sure you have the correct visa for the duration of your course.

The University will sponsor students for a Tier 4 (General) visa, under the Points Based System. Make sure you have the latest information and application forms when you are preparing to come to MMU.

Metropolitan  
University

The provision of educational services by the Manchester Metropolitan University is subject to terms and conditions of contract. Whilst the University has made every effort to ensure that the information contained within this publication is accurate and up to date at the time of writing in September 2014, we cannot give any warranty that this is the case, or guarantee that places will be available for any particular courses. The University shall not be responsible for any loss or damage arising from your use of this document, for any errors that it contains or for any subsequent changes to University or Government policy that may affect the information given. All information on courses within this guide relates to entry during the academic year to which the guide relates and will not be applicable to entry in any other academic year. The availability of courses offered may be subject to a minimum level of interest being shown by applicants in any given year. The University will use its reasonable endeavours to deliver educational services which it considers appropriate (for example library, IT and learning support) in accordance with the descriptions set out in this guide and other promotional material. For full terms and conditions of study at Manchester Metropolitan University, please visit: [www.mmu.ac.uk/legal](http://www.mmu.ac.uk/legal).
